

MEDID Top Quality matte stainless steel semi-rigid ruler

Item code: 5011
EAN13 Code: 8421411008744
Brand: MEDID

Length (in mm): 500

- Durability: Stainless steel provides excellent wear and corrosion resistance, meaning the ruler can be used in a variety of environments without deteriorating.
- Flexibility and Firmness: Its semi-rigid design allows it to adapt to both flat and curved surfaces, while maintaining the firmness necessary for precise measurements.
- Accurate Measurements: Clear metric markings make it easy to obtain exact measurements, which is crucial in precision work.
- Versatility: Its strength and flexibility make it suitable for a variety of tasks, from carpentry work to design projects.
