

Topometer with MEDID light

Item code: 585000
EAN13 Code: 8421411012222
Brand: MEDID

- Accuracy in Measurements: The ABS wheel ensures accurate measurements, which is crucial for construction projects, surveying or any activity that requires precise distance measurement.
- Versatility in Lighting Conditions: The integrated light allows the topo meter to be used in low light conditions, increasing its usefulness in different scenarios.
- Ease of Use: Its simple analog design makes it easy for anyone to use, without the need for special knowledge.
- Durability: The ABS material of the wheel provides a long service life to the product, which means a long-term investment for the user.
