

## MEDID metal topometer

Item code: 592000  
EAN13 Code: 8421411003824  
Brand: MEDID

- Improved Accuracy: The combination of the steel wheel and neoprene cover ensures more accurate measurement, even on uneven surfaces.
- Durability: The steel provides a solid and resistant structure, while the neoprene protects the wheel against wear and adverse weather conditions.
- Reliability in Measurements: The precision of the topo meter provides security in the results, which is crucial for planning and calculations in construction projects.
- Ease of Use: Its ergonomic design and easy-to-read analog display make it easy to handle and interpret results.
