

MEDID ELEPHANT topometer

Item code: 595000
EAN13 Code: 8421411011942
Brand: MEDID

- Measurement Accuracy: Featuring an ABS wheel, this surveyor provides exact measurements, essential for projects where precision is key.
- Ease of Use and Transport: Thanks to its telescopic handle, it is easy to handle and transport, adapting to different contexts and needs.
- Saving Time and Effort: The accuracy and ease of use of the surveyor reduce the time and effort required to perform measurements on large or complex terrain.
- Versatility in Various Environments: Its robust design makes it ideal for use in a variety of environments, from construction to surveying.
